

Teacher Report

5-12-2025

1. Third and fourth grade M-Step testing completed.
2. Kids planted some seeds 2 weeks ago and they are growing like crazy.
3. Field trip on May 7: Bird Watching & learning how to use binoculars with science guy, Tom Wilcox, in the morning and Janet's Planets at the Rozsa Center in the afternoon. Kids had a lot of fun.
4. Kids will do their Earth Day road clean up this week.
5. Kids went to Windot Falls Friday, because it was nice out.
6. Mother's Day presents were completed for the big day. Father's Day projects in the making.
7. Hoping to get spring pictures of kids done during their field trips, like last year or do them at Twin Lakes. (Waiting on some greenery)
8. Kindergarten graduation on June 6.
9. Field trips for the kids planned for the last week of school.
May 30: Marquette Children's Museum with Arvon, Copper Harbor nature hike, Chutes and Ladders, and Ontos beach day.
